

**Dear brothers and sisters in Christ,  
Good (morning, afternoon, evening).**

**I come with joy to share with you a great opportunity to grow intimately close to Our Lord Jesus Christ through the easiest, quickest, and most perfect path there exists.**

**This path is none other than the Blessed Virgin, Mary Most Holy.**

**When we place ourselves in Mary's hands, she leads us directly to her Son, opening our understanding to comprehend God's plans for our lives.**

**This path is perfectly traced out through the Consecration Course to Our Lady based on the True Devotion of St. Louis de Montfort. In this Course, the Heralds of the Gospel, will send you daily video classes for 30 days.**

**To consecrate yourself to Our Lady means to give Her all that we are and all that we have, so to belong to Jesus in the most perfect way.**

**Inscription for this course begins September 11 and it is completely free. It only requires an online registration through the following link:**
